**DPP: 0**

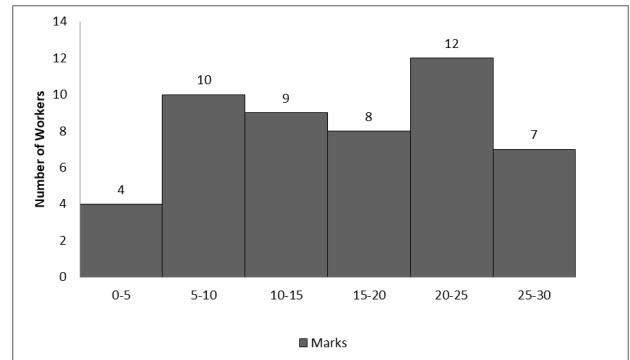

- Q1** The heights of two right circular cones are in the ratio 3 : 5 and the perimeter of their bases are in the ratio 5 : 4. Find the ratio of their volumes?  
 (A) 7:6 (B) 15:16  
 (C) 15:8 (D) 17:16

- Q2** Read the given pie-chart carefully and answer the following questions given below.  
 The pie-chart given below shows the percentage-distribution of share of income of an individual.

If the total amount income was Rs. 48000 then find the expenditures on Food, Tour and rent together.

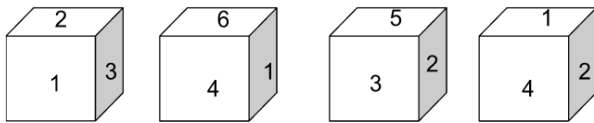

- (A) 22500 Rs (B) 24000 Rs  
 (C) 21000 Rs (D) 20980 Rs
- Q3** The following histogram shows the marks scored by 50 students in a test of 30 marks. A student has to score a minimum of 10 marks to pass the test.

How many students have scored less than half of the total marks?

- (A) 15 (B) 20  
 (C) 23 (D) 30
- Q4** The ratio between two numbers is 4:5. If 4 is added in each number, the new numbers are in the ratio 6:7. Find the given numbers .  
 (A) 12, 15 (B) 16, 20  
 (C) 8, 10 (D) 20, 25
- Q5** A man looking down from the top of a palace at a boat passing through the palace. The boat makes an angle of depression of  $45^\circ$  with the man's eye when at a distance of 60 metres from the palace. After 5 seconds, the angle of depression becomes  $30^\circ$ . What's the approximate speed of the boat?  
 (A) 34 kmph (B) 32 kmph  
 (C) 36 kmph (D) 38 kmph
- Q6** If one day before the previous day was Monday then what will be the fourth day after today?  
 (A) Monday (B) Wednesday  
 (C) Sunday (D) Friday
- Q7** Which number is at the opposite face of number 5. ?

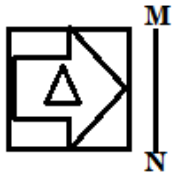

- (A) 4  
(B) 6  
(C) 1  
(D) 3

**Q8** If a mirror is placed on the line MN, then which of the answer figures is the right image of the given figure?

Question figure:

- (A)
- (B)
- (C)
- (D)

**Q9** Select the water image of the following figure?  
Question Figure

- (A)
- (B)
- (C)
- (D)

**Q10** In a row of 50 students facing north Namita is 18th from the left end. Then find the place of Namita from the right end.

- (A) 33  
(B) 32  
(C) 31  
(D) 34

**Q11** The National Dairy Development Board Act came into effect in the year \_\_\_\_.

- (A) 1978  
(B) 1956  
(C) 1987  
(D) 1963

**Q12** Which of the following books is NOT written by JK Rowling?

- (A) Fantastic Beasts and Where to Find Them

- (B) The Casual Vacancy
- (C) A Wizard of Earthsea
- (D) The Tales of Beedle the Bard

**Q13** Yeast produces \_\_\_\_\_ gas during respiration  
 (A) nitrogen (B) hydrogen  
 (C) carbon dioxide (D) methane

**Q14** The opening words of the Preamble to the Constitution of India are borrowed from the Constitution of \_\_\_\_\_.  
 (A) Ireland  
 (B) United States of America  
 (C) France  
 (D) Union of Soviet Socialist Republics

**Q15** SIDBI has partnered with which bank to support rural and informal micro enterprises?  
 (A) Indian Post Payments Bank  
 (B) SBI  
 (C) BOB  
 (D) PNB

**Q16** The following sentence has been split into segments. Identify the segment that contains a grammatical error.  
 Peter said to Mr. Karmakar, "Then he was feeling unwell in the school today".  
 (A) No Error

- (B) Peter said to Mr. Karmakar,
- (C) "Then he was feeling unwell
- (D) in the school today".

**Q17** Select the option that can be used as a one-word substitute for the given group of words.  
 Person who is not an expert in a field of art or music  
 (A) Pariah (B) Amateur  
 (C) Patron (D) Eccentric

**Q18** Select the most appropriate synonym of the given word.  
 ORTHODOX  
 (A) civilized  
 (B) habitual  
 (C) traditional  
 (D) deliberate

**Q19** Select the most appropriate option to fill in the blank.  
 The child \_\_\_\_\_ that he had broken the vase.  
 (A) collected (B) demanded  
 (C) admitted (D) requested

**Q20** Select the INCORRECTLY spelt word.  
 (A) Palace (B) Paint  
 (C) Pecket (D) Peddle

## Answer Key

**Q1** (B)

**Q2** (B)

**Q3** (C)

**Q4** (C)

**Q5** (B)

**Q6** (C)

**Q7** (C)

**Q8** (A)

**Q9** (D)

**Q10** (A)

**Q11** (C)

**Q12** (C)

**Q13** (C)

**Q14** (B)

**Q15** (A)

**Q16** (C)

**Q17** (B)

**Q18** (C)

**Q19** (C)

**Q20** (C)

## Hints & Solutions

### Q1 Text Solution:

if perimeter of their bases are in the ratio 5 : 4,  
then Their radii is also in the same ratio that is  
5:4.

Let the radii be 5 cm and 4 cm.

The heights of two right circular cones are in the  
ratio 3 : 5

Let the height be 3 cm & 5 cm.

volume of cone ,  $V = \frac{1}{3}\pi r^2 h$

The ratio of their volumes

$$= \left( \frac{1}{3} \times \pi \times 5 \times 5 \times 3 \right) :$$

$$\left( \frac{1}{3} \times \pi \times 4 \times 4 \times 5 \right)$$

$$= 15 : 16$$

### Q2 Text Solution:

Total amount = Rs. 48000

Expenditures on food, tour and rent = 28 + 12 +  
10 = 50%

Required amount =  $48000 \times \frac{50}{100} = 24000$  Rs

### Q3 Text Solution:

Half of total marks =  $\frac{30}{2} = 15$

Required number of students = 10 + 4 + 9 = 23.

### Q4 Text Solution:

It is given that the ratio of two number = 4 : 5

Let the numbers be 4X and 5X

If 4 is added in each number, the new numbers  
are in the ratio 6:7

$$\frac{4x+4}{5x+4} = \frac{6}{7}$$

$$28X + 28 = 30X + 24$$

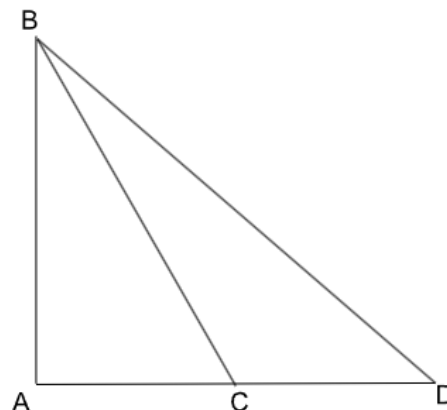

$$2X = 4$$

$$X = 2$$

First number = 4X = 4 × 2 = 8

Second number = 5X = 5 × 2 = 10

### Q5 Text Solution:

Let AB be the palace and C and D be the two  
positions of the boats.

Then,

$\angle ACB = 45^\circ$ ,  $\angle ADB = 30^\circ$  and AC m  
= 60

Then,  $\frac{AB}{AC} = \tan 45^\circ = 1$

$\Rightarrow AB = AC = 60$  m

And,  $\frac{AB}{AD} = \tan 30^\circ = \frac{1}{\sqrt{3}}$

$\Rightarrow AD = AB = 60$  m

Hence, required speed

$$= \left[ \frac{60(\sqrt{3}-1)}{5} \right] m/s$$

$$= 12 \times 0.73 m/s$$

$$= 12 \times 0.73 \times \frac{18}{5} m/s$$

$$= 31.5 kmph$$

$$= 32 kmph$$

### Q6 Text Solution:

The logic followed here is:

- If one day before the previous day was  
Monday it means today is Wednesday.

If today is Wednesday then, Wednesday + 4 =  
Sunday

Hence, "Sunday" is the correct answer.

**Q7 Text Solution:**

From positions of [ dice (iii) and (iv)],  
According to the question, Third and Fourth dice  
have a common digit of 2.

$2 \rightarrow 3 \rightarrow 5$

$2 \rightarrow 4 \rightarrow 1$

1 is opposite to 5.

4 is opposite to 3.

and 2 is opposite to 6.

Hence, " 1 " is the correct answer.

**Q8 Text Solution:**

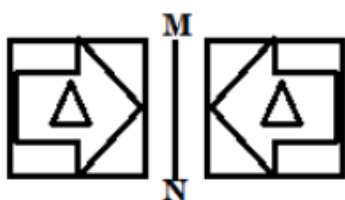

According to the question :

We have been given a figure and we have to  
identify the correct mirror image of the figure  
when the mirror is placed on its right side.

We know , the mirror image will look like :

- As the mirror is placed vertically , so top and bottom of the figure will not exchange themselves in the mirror image.
- The left and right of the figure will exchange themselves in the mirror image.
- Pattern of the figure far from the mirror will appear far in the mirror image too.
- Pattern of the figure near the mirror will appear near in the image too.

So , the figure and the mirror image will look like :

Hence , " " is the correct answer.

**Q9 Text Solution:**

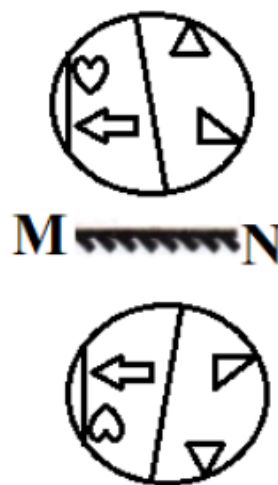

According to the question :

We have been given a figure and we have to  
identify the correct water image of the figure .

We know , the mirror image will look like :

- The top and bottom of the figure will exchange themselves in the water image.
- The left and right of the figure will not exchange themselves in the water image.
- Pattern of the figure far from the water will appear far in the water image too.
- Pattern of the figure near the water will appear near in the image too.

So , the figure and the water image will look like :

Hence , " " is the correct answer.

**Q10 Text Solution:**

Namita is 18th from the left end in the line of 50 students. It means that 32 students are sitting at the right of Namita. So Namita is 33rd from the right end.

Second Method-

Total students= Left+Right-1

$$50 = 18 + \text{Right} - 1$$

$$50 - 18 + 1 = \text{Right}$$

$$33 = \text{Right}$$

So Namita is 33rd from the right end in a line of 50 students.

Hence , " 33 " is the correct answer .

**Q11 Text Solution:**

- The National Dairy Development Board (NDDB) Act came into effect on October 12, 1987.
- The NDDB was established in 1965, and it is an institution that promotes, plans, and organizes the development of the dairy industry in India.
- The NDDB Act of 1987 was enacted to provide for the establishment of the National Dairy Development Board, a statutory body, to promote, finance and support producer-owned and controlled organizations.
- The board aims to develop, promote, and finance programs for increasing the productivity of milch animals, providing inputs

for animal husbandry, and developing co-operative organizations for dairy development. Hence, the correct answer is "1987".

**Q12 Text Solution:**

- The Harry Potter series was written by British author J.K. Rowling, who is most recognised for her work.
- She has also written several other books, including 'Fantastic Beasts and Where to Find Them' and 'The Tales of Beedle the Bard'.
- However, 'A Wizard of Earthsea' is not written by her. It is a fantasy novel written by Ursula K. Le Guin and was first published in 1968.
- The novel is set in a fictional archipelago and follows the journey of a young wizard named Ged as he learns to master his powers and battles his inner demons.
- It has won several awards, including the Newbery Honor and the Lewis Carroll Shelf Award, and is considered a classic of the fantasy genre.

Hence, the correct answer is "A Wizard of Earthsea".

**Q13 Text Solution:**

- Yeast is a type of fungus that can perform both aerobic and anaerobic respiration.
- During anaerobic respiration, which occurs in the absence of oxygen, yeast produces carbon dioxide gas as a byproduct.
- This process is also known as alcoholic fermentation, as yeast converts sugars into ethanol in addition to producing carbon dioxide.
- This ability to produce gas is exploited in many food and beverage industries, where yeast is used as a leavening agent in bread and other baked goods.

- Yeast is also used in the production of alcoholic beverages such as beer and wine.
- In addition, the production of carbon dioxide by yeast can be used in scientific experiments, such as in the study of respiratory physiology and the measurement of cellular respiration rates.

Hence, the correct answer is “carbon dioxide”.

#### Q14 Text Solution:

- The opening words of the Preamble to the Constitution of India, "We, the people of India", are inspired by the Constitution of the United States of America.
- The Preamble was drafted by a committee appointed by the Constituent Assembly, which was Moved by Jawaharlal Nehru.
- The committee studied the Preambles of several other countries, including the United States, Canada, Australia, and Ireland.
- The committee also took inspiration from the objectives resolution, which was moved by Nehru in the Constituent Assembly on 13 December 1946.
- The Preamble reflects the aspirations and ideals of the people of India, and it declares India to be a sovereign, socialist, secular, democratic republic.
- The principles of justice, liberty, equality, and fraternity are also emphasized.

Hence, the correct answer is “United States of America”.

#### Q15 Text Solution:

- Indian Post Payments Bank (IPPB), a division of the Indian Post, under the ownership of the Department of Post and Small Industries Development Bank of India (SIDBI), the principal financial institution for the

promotion of Micro, Small and Medium Enterprises (MSMEs have tied up to accelerate formal financial services in rural India and among smaller companies

- The agreement is to leverage India Post's deep connection with rural India and SIDBI's lending and credit risk assessment models that could help millions get formal credit
- Furthermore, the release states the announcement of a hackathon for Fintechs to be organised under the partnership for innovation in the financial services in rural areas to promote rural livelihood
- Founded : 1 September 2018 Headquarters : New Delhi, Delhi, India MD & CEO : Venkatram Jayanthi.

Hence the correct answer is Indian Post Payments Bank

#### Q16 Text Solution:

The given sentence is grammatically incorrect and the error lies in the option “**Then he was feeling unwell**”. The error is related to “adverb”.

- In the given sentence, “then” is used to show time, but it is not clear when Peter said he was feeling unwell.
  - Then: an adverb that can be used to show time, order, or consequence
- The sentence does not provide any reference point or sequence of events to indicate when then refers to.

Hence, we should omit “then” to make the sentence grammatically correct.

Correct sentence: **Peter said to Mr. Karmakar, “He was feeling unwell in the school today”.**

#### Q17 Text Solution:

Let us first understand the given options :

- **Pariah:** a member of a low caste in southern India.
- **Amateur:** a person who engages in a pursuit, especially a sport, on an unpaid rather than a professional basis.
- **Patron:** a person who gives financial or other support to a person, organization, cause, or activity.
- **Eccentric:** a person or their behavior unconventional and slightly strange.

Hence, "**Amateur**" is the most appropriate one-word substitution for the group of words "a person who is not an expert in a field of art or music".

#### Q18 Text Solution:

**Orthodox:** following or conforming to the traditional or generally accepted rules or beliefs of a religion, philosophy, or practice

- E.g.: Burke's views were orthodox in his time.

Let us first understand the given options :

- **Civilized:** at an advanced stage of social and cultural development
- **Habitual:** done constantly or as a habit
- **Traditional:** existing in or as part of a tradition; long-established
  - E.g.: The traditional festivities of the Church year.
- **Deliberate:** done consciously and intentionally

Hence, "**traditional**" is the most appropriate synonym for the word "**Orthodox**".

#### Q19 Text Solution:

The given blank needs to be filled with a "**verb**" that is suitable for describing the action of the child who broke the vase, as it implies that he was honest and remorseful about his mistake.

Let us first understand the given options:

- **collected** means to gather or bring together something, especially something that belongs to oneself or is owed to oneself.
  - It is a verb that takes an object, which can be a noun or a pronoun.
- **demanded** means to ask for something forcefully or urgently, especially something that one has a right or claim to.
  - It is a verb that takes an object, which can be a noun, a pronoun, or a clause.
- **admitted** means to confess or acknowledge something, especially something wrong or embarrassing.
  - It is a verb that takes an object, which can be a noun, a pronoun, or a clause.
  - In this case, the object is the clause "that he had broken the vase".
- **requested** means to ask for something politely or formally, especially something that one wants or needs.
  - It is a verb that takes an object, which can be a noun, a pronoun, or a clause.

Hence, "**admitted**" is the most appropriate option for the given blank grammatically and contextually.

Correct sentence: The child admitted that he had broken the vase.

#### Q20 Text Solution:

"Pecket" is the incorrectly spelt word.

- The correctly spelt word is "**Pocket**" which means a small bag is sewn into or on clothing so as to form part of it, used for carrying small articles.
  - E.g.: She fished for her door key in her coat pocket.

Meaning of the other words :

- **Palace:** the official residence of a sovereign, archbishop, bishop, or other exalted person.

- Paint: a colored substance that is spread over a surface and dries to leave a thin decorative or protective coating.

- Peddle: try to sell (something, especially small items) by going from house to house or place to place.
